The training programme also covered opportunities for RFIs, NABARD support, supervisory concerns, and strategies for strengthening both credit and non-credit cooperative societies.

d. Any other important development / initiative / highlights:

1. Inviting Case Studies: An initiative of NBSC, Lucknow

To create a pool of case studies which may be used for training purposes in all three verticals viz. Supervision and Finance, HR & Development and Business, NBSC announced the launch of the incentive-based case study competition, in which staff members may share their experience and their innovative approaches, methodologies which they undergo while handling various cases.

To commence, NBSC has chosen the topic "Fraud Risk Management," inviting all staff members to demonstrate their expertise and contribute to our collective knowledge.
